

Technical Sheet

Armchair and Sofa

The Wabi series also includes a lawn-swing available in the same finishings.

Structure: Sassafras wood and hand woven structural cover. Seat frame in stainless steel provided with elastic belts. Plastic spacers.

Structural weave: fixed, made of a waterproof silicone profile covered with Rope yarn, in solid or mélange colours, or in Aquatech yarn in solid colours.

Seat cushion: removable, in stress resistant expanded polyurethane for the interiors, treated to be water repellent for the exteriors.

Seat cushion upholstery: removable cover available in the fabrics Luz, Rope T or Brio.

Notes: back and loose cushions are necessary for enhanced comfort; quantity and dimensions depend on the selected product.

The use of a Winter Set protection cover is recommended.
