

Technical Sheet

Deckchair

Folding deck chair and XL deck chair. Portofino also includes chair with armrests, armchair and stool. A removable seat pad is available for all seating pieces in the collection. A specific back cushion enhancing the comfort of the chair and the armchair is also available. Large dining tables with stone top complete the series.

Structure: folding structure made of locust heartwood available natural or dyed in wengé.

Plastic spacers.

Upholstery: removable cover available in the fabrics Brio, Madras or Tamil.

Seat pad: polyester fibre and polyurethane.

Seat pad upholstery: removable, in Rope T or Brio fabric.

Note: the series Portofino includes also a tray which, positioned on the stool structure, turns the stool into a side table. The tray, item B95E, is available with border in natural locust wood and top in white varnished aluminium or with border in wengé dyed locust wood and gray varnished aluminium top.

The use of a Winter Set protection cover is recommended.
